FAITH FORMATION PROGRAM

*You have made us
for yourself,
O Lord, and our
hearts are restless
until they rest in
you.*

St. Augustine

We are a group of CASE- trained volunteers who understand how important our task is: To aid parents in teaching the pillars of our Faith to our children.

Our AUTHENTICALLY CATHOLIC program aims to teach our kids the answers to these fundamental questions by the time they are confirmed:

- Why are we here?
- What does the Catholic Church teach?
- What should I do, while on earth, to help myself get to heaven?
- Why should I be Catholic?
- How can I live the life Christ intended?

Have some catching up to do? We have tailored programs to help students fill in gaps so they can be more prepared to receive the Sacraments

“We were looking for a faith formation program for our children with more substance. St. Thomas was a great fit for us!” -Jen

“We are very happy to belong to St. Thomas. The religion program is exactly what I wanted it to be. Amanda is very happy and understands why she is Catholic. Once you understand why you are Catholic, you appreciate life.” - Christina

“I have been extremely happy with St. Thomas religious education classes because my children are learning the foundation of our faith as well as practicing their faith. My children have enjoyed going to the chapel to pray with their class and have asked to go to the chapel on their own. We enjoy the strong feel of community.” -Lori Ann

“We have known ever since we got married that one of our greatest responsibilities would be to raise children and raise them in the Faith. I can rest easier knowing that when my kids go to Faith Formation here, they are actually learning what the Church teaches. They are being given a better chance to be able to defend what they believe because we chose to send them here.” -Mike
