Grade your child is entering in the Fall _____

- If your child is preparing for a Sacrament this school year, please be ready to share Baptismal Records with the Faith Formation Coordinator within the 1st month of classes.
- If in 2nd grade, your child will prepare for the Sacraments of First Penance and First Holy Communion. Please note if your child is receiving weekly instruction elsewhere. They will still have to attend our mandatory prep classes in January and in March.
- If in 8th grade, your child will be enrolled in our Confirmation Prep Year 1 class. If your child attended a Year 1 class at another parish, proper documentation will be needed for them to enter into our Year 2 program.
